APPLICATION UNDER 37 CFR § 1.137(b)**

Attention: Office of Petitions

Dear Sir:

Pursuant to 37 C.F.R. § 1.137(b), Applicants hereby petition to revive the above-identified application. This application was unintentionally permitted to go abandoned as a result of failing to timely notify the Office of an international and/or foreign filing. Applicants submit that a request to rescind a non-publication request was filed with the Office on November 27, 2002, but Applicants unintentionally did not advise the Office that an international and/or foreign application claiming priority to the above-identified application was being filed concurrently therewith. As such, Applicants submit the entire delay in failing to timely notify the Office of the international and/or foreign filing to the date of submission of this grantable petition was unintentional.

Applicants hereby provide notice that an International Application Serial No. PCT/IB02/05813 based on the above-identified application was filed on November 27, 2002. Furthermore, with this notice Applicants advise the Office of their intention to file additional

international and/or foreign applications. Accordingly, Applicants submit that the reply requirement under 37 C.F.R. § 1.137(c) has been met by this notice as stated in § 1.137(f). Since the above-referenced application is a utility application that was filed after June 8, 1995, no terminal disclaimer is required.

Accordingly, the petition fee of \$1,300.00 required under 37 CFR § 1.17(m) is enclosed herewith by check. Please charge any additional necessary fees or credit any overpayment to our Deposit Account No. 14-1138. In the event that there are any outstanding matters remaining with regard to this petition, the Office is invited to contact the undersigned.

Respectfully submitted,

Dated: April 21, 2003
